

TEXAS HOUSE DEBATES UPON A CHARGE OF BRIBERY AND ALSO A NEW CONSTITUTION

HOUSE VOTES FOR CONVENTION

Senate Has Approved Constitutional Assembly But Conference Needed.

Austin, Tex., Feb. 28.—The house adopted the senate resolution proposing that the calling of a constitutional convention be submitted to the people. However, the senate measure was considerably changed by amendments in the house and the measure will not be adopted finally until these amendments are considered in the senate. The resolution, as it came from the senate, proposed an election in 1920 at which the people would determine whether the convention should be called and at the same time elect delegates to the convention. The senate measure proposed to elect delegates while the measure adopted by the house proposed to elect delegates from districts from which they are to be elected. The measure proposed to elect delegates to the convention in 1920. In the event the people call the convention, delegates are to be elected on the third Tuesday in March, 1920, and the convention called in June, 1920.

Upon the advice of a friend I tried Beecham's Pills. It was a simple, harmless preparation that removed the catarrhal mucus from the intestinal tract and allowed the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. I began on Cardui. It strengthened me after a few doses and diminished the . . . after the first bottle. I commenced to feel better. I regained my appetite . . . I took the Cardui right along . . . I am well and strong. That has been four years. I can do all my work and feel fine."

Cardui has been found to be a valuable tonic for women. It is composed of harmless medicinal ingredients, which act in a mild and gentle way on the system and help to build up the body and nerves.
